PETITION FOR ACCEPTANCE OF DRAWINGS FIGURES

RECEIVED

Assistant Commissioner of Patents

JUL 15 2002

OFFICE OF PETITIONS

Sir:

Applicant hereby petitions to have Figures 28, 29, 30 and 32 considered filed with the application on its original filing date of October 24, 2001.

In support of this Petition, Applicant submits herewith a copy of the mangled return postcard, a copy of the postcard as originally filed, and a copy of the application transmittal sheet, all of which correctly state that the application was filed with 23 sheets of drawing.

The 23 sheets of drawing are consistent with the two sets of drawings in Applicant's file, both of which contains Figs. 1-40, including Figs. 28, 29, 30 and 32 in the total number of 23 sheets of drawing.

The 23 total sheets of drawing include two Fig. 12's and lack a Fig. 14. This misnumbering is being corrected by a concurrently filed Request for Approval of Drawing Correction.

However, it is respectfully submitted that the application transmittal documents show the correct number of drawing sheets consistent with Applicant's application file to correctly believe that the application submitted and received by the Patent Office contained all of Figures 1-40, including Figures 28, 29, 30, and 32.

The damaged condition of Applicant's return postcard indicates that the application received rough processing during delivery to the United States Patent and Trademark Office.

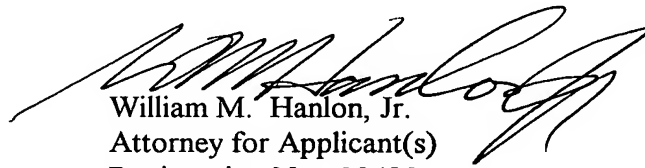

In conclusion, it is respectfully submitted that the evidence clearly

shows that Applicant submitted Figures 28, 29, 30, and 32 as part of the original application and thereby is entitled to entry of these drawing figures and a retention of the October 24, 2001 filing date.

Further, it is submitted that the Notice of Missing Drawing Figures is due to Patent Office error and withdrawal of the notice and the non-charging of any petition fee is submitted to be warranted and is respectfully requested.

Respectfully submitted,
